

Inclement Weather Policy

Please watch the [website](#) or our [Facebook](#) page for updates.

Weekly Activities — in the event that the **Westerville Public Schools** are cancelled or dismissed early due to inclement weather, OR a Level 2 or 3 **snow emergency** is declared for **Delaware County**, all activities will be **cancelled**. (The church is in Delaware County)

Weekend Worship Services - in the event that a **Level 3** Snow Emergency is declared for **Delaware County**, our regular worship services will be cancelled for the safety of our members and friends.

SNOW EMERGENCY DEFINITIONS:

- **Level 1 Snow Emergency:** Roadways are hazardous with blowing and drifting snow. Roads are also icy; drive carefully.
- **Level 2 Snow Emergency:** Roadways are hazardous with blowing and drifting snow. Only those who believe it is necessary to drive should be out on the roadways. Volunteers should use their own judgment for serving during a Level 2 Emergency.
- **Level 3 Snow Emergency:** All roadways are closed to non-emergency personnel. No one else should be out during these conditions unless it is absolutely necessary to travel. Those traveling on the roadways may be subject to arrest.

Please use your best judgment when deciding to venture out into inclement weather.
