

# Winter 2012

**VOLUNTEER SPOT LIGHT**

## The Cowles

Chris and Janice Cowles have been faithfully serving full-time in the 9am first grade class for the past three years. Every Sunday morning they arrive bright and early for VIP time (8:30 am), with their two young children, Austin and Taylor, in tow. The Cowles continue to amaze us with their dedication and punctuality. One can't help but notice that they are always smiling. Even the kids! The joy they express serving in this ministry really looks great on the Cowles. Thanks you, Chris and Janice! We really appreciate your commitment to Heritage Kids and your family!
